

THE SUNDAY CLARION.

Sunday, : : : : December 1, 1867

Bankruptcy! Bankruptcy!
We are now prepared to fill all orders for
Petition by Debtor and accompanying Sched-
ules. These blanks are handsomely gotten
up, on superior paper, and printed and ruled
agreeably to the prescribed forms adopted
by the Supreme Court. Sent by mail or Ex-
press as may be desired. Price per single
set, \$1 per dozen sets, \$8. Address Power
& Jones, Jackson, Miss.

Attention Firemen!
Members of Jackson Fire Company, No. 1,
will attend washing Monday, Dec. 2nd, at
4 o'clock P. M. in full uniform, also regular
meeting at 7 o'clock, E. M. By order
H. B. EVANS, Foreman.
N. B. Every member of the company is re-
quired to be uniformed by said date, as the
constitution will be strictly enforced.
H. B. E.

Religious Notice.—There will be
services at the Methodist church in this city,
on Sunday morning, December 1st, also at
night at the usual hours.

Funeral Notice.—The friends and ac-
quaintances of Mr. L. C. Moore, Jr., are re-
quested to attend the funeral of his wife,
Mrs. Moore, this evening, at 8 o'clock, from the
Episcopal place of worship.
Jackson, Sunday, Dec. 1st, 1867.

The Educational Journal.—A
sufficient number of subscribers not having
yet been obtained, to warrant us in un-
dertaking the publication of the Journal
proposed by the Educational Convention, and
the time being deemed unfavorable for
sustaining such an enterprise, the same is
postponed for the present.

POWER & JONES.
Jackson, Miss., Nov. 28, 1867.

LARGE TURNIPS.—As evidence of
what may be done in the way of producing
vegetables hereabouts, we will note that our
friend O. P. Wright has placed on our table
two mammoth turnips, weighing from four
to six pounds each.

OFF FOR BALTIMORE.—Our worthy
townsman, Major A. M. HAWKINS, leaves this
morning for Maryland. While absent, he will
represent THE CLARION in Baltimore and
other cities. We commend him to the kind
attention of our brethren of the press, railroad
officials, hotels, theatres, churches and other
parties, accustomed to extending "courtesies"
to the newspaper fraternity. The Major is
fully authorized to contract for advertising and
other business for the Clarion.

The advertisement of our friends
BOWLING, CLARK & PINGREE, Vicksburg,
Miss., will be found in our columns this
morning. These gentlemen have recently
moved into their new building, No. 110, 112
and 114, Crawford street, between Washing-
ton and Mulberry. Their building is new
and well arranged for a first class grocery
and provision store, and warehouse. They
have long experience in the business, and
ample arrangements to receive and forward
all kinds of goods for country merchants or
planters.

H. B. BRUSER, of Vicksburg, is a
practical mechanic, and in addition to his
own manufactures, he has in store, pur-
chased from first hands, a large selection of
cooking stoves, house furnishing goods,
pumps, pipes, sheet lead, pipe, fire brick,
and tile. Mr. Bruser was raised up by the
fire last spring, but we are glad to see that
his indomitable energy and perseverance
have overcome all difficulties, and that he has
rebuilt a large brick house on the same spot,
and he desires to see all his old friends,
and should they not come, their orders will
be attended to promptly.

THE CONVENTION.—Up to this writing, as
will be seen by returns on last page, we have
reports from forty-five counties—leaving six-
teen yet to be heard from. The total regis-
tration, as we have it, is 137,855. But it may
be safely assumed the final revision will bring it
to 150,000. The necessary vote, to carry the
Constitution, will, therefore, on this presump-
tion, be 69,251. Of this number, the forty-five
counties heard from furnish 69,394, leaving 5,
857 votes to be furnished by the sixteen other
counties from which we have no returns—or
in other words, 522 from each. The forty-five
counties heard from furnish in all about five
thousand votes over one-half the number re-
quired. Washington county, which is yet to
be heard from, will furnish at least two thousand
votes, so that the chances seem now to be in
favor of the Convention.

COMPLIMENTARY.—An esteemed sub-
scriber to THE WEEKLY CLARION, thus
writes us from Hernando. In these "blue"
times, when people are more disposed to
complain and find fault, than to compliment,
such words of encouragement are highly
valued.

My subscription to your paper has just
expired, enclosed I send you two dollars to
show it. Please acknowledge this in send-
ing me your paper by return mail. I regret to
say that not only the best paper published in
the State, but one of the best and most inter-
esting papers of the kind published in our coun-
try, has been had some two years. The paper
is editorially able, and has been reading pa-
pers nearly forty years, and think I know a
good paper when I read it.

"A Ladies' Bazaar," is in full blast
at Jackson. A magnificent gentleman's dress-
ing gown, is to be awarded to the ugliest visit-
or at last accounts. The Vicksburg Herald, and
other papers, are all endeavoring to get the
best of all other competitors, and the prize
has been awarded to one of them. The
committee of strong minded ladies,
have nerve enough to let the aspirant
know that in their checks and draw out of the
box—over the Examiner.
Is justice to our senior, and for the Exam-
iner, information, it is proper to state that
the Local was the aspirant. Partridge did
survive, but Col. Jones S. Hamilton pre-
sented his claims, and was, of course, elected.

SIX P.M.—Poets—Painters—Preachers—
Lovers—Printers and Politicians—all suffer
from Dyspepsia, Nervousness, Loss of Ap-
petite, Liver Complaint, and all diseases which
may be cured or prevented by the use of
Pain-Expeller. If these sufferers took these
Pain-Expellers, they would find the Pain-
Expeller, the sermons livelier, the Acting
more, the Printing neater, and the Politics
more. This splendid tonic invigorates the
system, and enables the brain to work healthi-
ly. Perhaps no article was ever so well endorsed
as this who have used it.

MAGNOLIA WATER.—A delightful toilet
essence superior to Cologne and all other
Leather Belting.

don's new Iron Back Hames at
SIDWAYS.

SPECIAL NOTICES.

A Card to Sensible People.

Rational reader, the aspect of the weather
was uncertain, you would not be foolish
enough to venture out without an overcoat or
an umbrella. Have the forecast, then, to
protect yourself at this dangerous season with
something more important than either of these
articles. Strengthen your stomach and ner-
vous system; regulate your liver and your
bowels, tone all your organs and cheer your
animal spirits with that agreeable cordial, ton-
ic and alterative HOSKETT'S STOMACH
BITTERS. So shall you surely escape the
diseases which fasten upon the feeble and de-
bilitated. "Suffer and be strong," says the
proverb; but "Be strong that you may not
suffer" is the wisest maxim, and of all
strengthening preparations this is the safest,
the surest, the most genial. As a remedy, as
well as an antidote, for dyspepsia, fever and
ague, and liver disease, there is no combination
of vegetable specifics at present known which
even approaches it in efficacy.

ANTICIPATE THE ENEMY. The elements
of innumerable diseases are adroit in this
raw, damp, mephitic winter air. Will you
defend yourself against them or not, good
reader? That is the question. A bottle or
two of the great DEFENSIVE MEDICINE OF
THE AGE, HOSKETT'S BITTERS, will so
strengthen and brace up your bodily powers
as to enable them to "laugh a seige to
scorn." The morbid matter which was ex-
haled in perspiration through your pores in
summer finds no such free egress now. A
powerful counteracting agent is therefore
needed, and you have it in HOSKETT'S
BITTERS. They neutralize the malarious
morbi from which all diseases originate, and
regulate all the secretory organs. Nothing
can be more harmless or more healthful—
nothing so potent to cure obdurate dyspep-
sia, fever and ague, constipation and general
debility, as this wonderful corrective.

Extract of a Letter From

PROVIDENCE, A.L.A., May 13, 1866.
DR. JOHN BULL: I send you \$20 for CEDRON
BITTERS; please send what it will come to
after paying freight to Columbus Miss. I have
been troubled for several years with indiges-
tion; have had to take pills every night for ten
or fifteen years, and in February last was at-
tacked with general paralysis. I was confined
to my room the balance of the year; and in
fact, continued in a very weak and ner-
vous condition until some two months since,
when I was put under an operation, and your
CEDRON BITTERS for treatment. I commen-
ced improving right away, and am pretty well
restored.

Yours truly,
A. L. NEAL.

LOUISVILLE, KY., Nov. 25, 1865.
I received this day the following, from Lan-
caster, Kentucky:

DR. JOHN BULL: Please send me in haste,
for my own use, ONE DOZEN of your CEDRON
BITTERS. I have tried them, and find them
all you claim for them.

Yours respectfully,
G. W. SHINDLEROWES.

Another Testimony.

BLOOMINGTON, ILL., Oct. 14, 1864.

DR. JOHN BULL: We made an arrangement
with your agent, July 20, 1864, for selling your
CEDRON BITTERS, and are about sold out. We
want (one dozen) twelve boxes more, without
delay. We are introducing them readily, and
think they answer a good purpose.

A CARD.

WHAT IS TARRANT'S EFFERVESCENT SELTZER
WATER, and what are its effects? These
are questions which the great American pub-
lic has a right to ask and it has also a right to
expedient and satisfactory reply. The
preparation is a mild and gentle saline cas-
tle, cathartic, alterative and tonic and is care-
fully prepared in the form of a sparkling water,
containing all the wonderful medicinal prop-
erties of the far famed Seltzer Springs of
Germany.

Of its effects, we would say that those who
have tested the preparation are the best judges
and they declare over their own signatures,
that the preparation will promptly relieve in-
digestion. Regulate the flow of the bile. Cure
every species of headache. Tranquillize the
nervous system. Remove all the impurities of
the blood. Mitigate the pangs of Rheumatism.
Neutralize acid in the stomach. Cleanse and
tone the bowels. Assuage the thirsting appetite.
Cure the heart-burn.

If you are a sufferer give this remedy one
trial, and it will convince you of the above
facts.

We wish to call the especial atten-
tion of our readers to the advertisement in
another column of the enterprising firm of
James Riddle & Co., of Louisville, Ky. We
do not wish or intend to recommend all the
patent medicines that come along, "war-
ranted to cure all the ills that flesh is heir
to," but when, as in this case, they are put
out by men of long experience in the prac-
tice of the healing art, men of standing in
the community in which they live, and when
the medicines themselves have stood the
test of a quarter of a century (as is the case at
least with some of them), and more espe-
cially when they do not claim to do too much, we
cannot see why they might not be taken in
the special diseases for which they are re-
commended, with at least as much confi-
dence as the prescription of a regular physi-
cian.

THE BEST MANUFACTURED;

Second-Hand Pianos, Melo-
deons and Organs,

At great bargains. Prices from \$50 to \$200.
Illustrated Catalogue sent to any address.

WATER'S PIANO FORTES are acknowl-
edged by the press and musical public
to be among the best Piano Fortes manufac-
tured. The high reputation of these Pianos,
and the increased demand for them in New
York, and throughout the United States and
Canada, plainly prove their superiority in tone,
touch and durability.

By the adoption of every really valuable im-
provement—use of the best materials, and the
employment of skillful workmen, under the
personal superintendence of an able and ex-
perienced and thorough musician, it is very
easy to see why the Waters Piano Fortes have
achieved such a World-wide reputation for
their durability.

The Waters Piano Fortes are unsurpassed
by any instrument in the market, and for pow-
er, brilliancy, and richness of tone, elasticity
of touch, and beauty of finish, cannot be ex-
celled. They are remarkable for a fine sing-
ing quality in the middle tones, and astonish-
ing prolongation of tone, without being con-
fused. Hundreds of testimonials can be
shown from people all over the land, who have
given these instruments a fair trial, expressing
the greatest satisfaction, besides a long list
of names of the leading artists, showing their
good opinion of the Waters Piano.

TESTIMONIALS.

The Horace Waters Pianos are known as
among the very best—N. Y. Evangelist.

We can speak of the merits of the Horace
Waters Pianos from personal knowledge as
being of the best quality.—Christian Intelli-
gencer.

The Horace Waters Pianos are built of
the best and most thoroughly seasoned ma-
terial.—Advocate and Journal.

Our friends will find at Mr. Waters' store
the very best assortment of Music and Pianos
to be found in the United States.—Gra-
ham's Magazine.

MUSICAL DOINGS.—Since Mr. HORACE WA-
TERS gave up publishing sheet music, he has
devoted his whole capital and attention to the
manufacture and sale of pianos and melodeons.
He has just issued a catalogue of his new in-
struments, giving a new scale of prices, show-
ing a marked reduction from former rates.
Many people of the present day who are at-
tracted if not confused, with the flaming ad-
vertisements of rival piano houses, probably
overlook a modest, manufacturer like Mr.
WATERS; but we happen to know that his in-
struments earned him a good reputation long
before credit came to him as a manufacturer.
Of which any manufacturer in the world might
well be proud. We have always been deluged
with it as a sweet toned and powerful in-
strument, and there is no doubt of its durabil-
ity; more than this, some of the best amateur
players of the present day, as well as several
celebrated pianists, have performed on the said piano,
and all pronounce it a superior and first-class
instrument. Stronger endorsement we could
not give.
